SUPPORTING SAFETY AND WELLBEING

Spray Lake Sawmills Family Sports Centre (“SLSFSC”) is committed to the health and safety of our employees, tenants, and the community. We will proactively monitor our plans to limit exposure and transmission of the COVID-19 virus in our facilities, through the adherence to provincial and federal recommendations and requirements as well as applying appropriate policies and procedures.

All programs and activities will be assessed for risk of transmission and appropriate controls put in place prior to and ongoing. If an activity is deemed high risk and appropriate controls cannot be applied, the program will not continue until an adequate control can be put in place, in compliance with laws. This will continue to be a dynamic approach and a shared responsibility with all individuals who work and play at SLSFSC in any capacity and will hold us all to the same standard. Should the activity comply with law, and specifically Alberta Health Services, such activity shall be permissible should all Alberta Health Services guidelines be followed.

Alberta Health Services and all respective health organizations and government bodies remain the primary sources for guidance on COVID-19 and other health related issues.

Acknowledgment

The User Group acknowledges that:

- It has read and will make commercially reasonable efforts to comply with all SLSFSC protocols, measures, and expectations as provided. If an update to these protocols, measures and expectations are made, advance written notice of five (5) business days shall be provided unless such change is mandated by law.
- It will make commercially reasonable efforts to uphold the accountabilities laid out in this Return to Play Agreement and all related protocols.

Concerns

If you have questions or concerns, including any issues with non-compliance with the protocols, please discuss with your booking coordinator. We appreciate your cooperation as we work through the changes over the next few months.

COVID-19 Protocol

This document outlines safe protocols for a user to prevent and mitigate transmission of the COVID-19 virus while using SLSFSC facilities. These protocols are aligned with CDC, Health Canada, and AHS guidelines/stages and SLSFSC's commitment to health and safety. Individual users are responsible to review the below guidelines before entering the SLSFSC facilities.

Self-Screen and Self-Monitor

- Every day prior to entering a SLSFSC facility, screen yourself for signs and symptoms of COVID-19 as established in the SLSFSC's Exposure Control Commitment. All users must stay home if they answer yes to any of the questions on the self-screening questionnaire.
- Facility users should monitor themselves for signs and symptoms of COVID-19 while at the facility. If they begin to experience any of these symptoms during the booking, you are responsible for STOPPING your activity immediately. The individual must isolate themselves and/or exit the SLSFSC facility immediately. Such user must follow all applicable law in reporting and contact SLSFSC to inform of possible outbreak.

Daily Self-Screening Protocol

All SLSFSC facility users are required to perform the following self-screening prior to attending their booking. If they answer 'yes' to any of the questions below, DO NOT come to the facility and call your health provider or Health Link for guidance.

Section A: Physical Symptoms

Do you currently have ANY of the following symptoms that are new and/or unrelated to an existing medical condition?

- Fever: measured reading above 100°F or 37.8°C.
- Dry cough.
- New cough or a cough that is getting worse.
- Shortness of breath or difficulty breathing.
- Chills.
- Repeated shaking with chills.
- Sore throat.
- Runny nose or nasal congestion.
- Headache.
- Muscle aches/pain.
- New loss of taste or smell.
- Feel unwell.
- Tiredness/fatigue.
- Nausea/vomiting/diarrhea.

Section B: Physical Exposure

- In the past 14 days, have you been in unprotected contact with someone who has been confirmed or suspected of having COVID-19?
- Are you on self-isolation for COVID-19?
- Are you being tested for COVID-19?
- Have you tested positive for COVID-19 and not been declared recovered?

Totem 1, 2, 3, & Cochrane Arena - User Group Expectations

- To maintain strict health and safety standards there will be limited access during a booking.
- Proper cleaning and sanitation will be administered by SLSFSC staff before and after each booking with focus on high touch points.
- Doors will be unlocked throughout the day. It is up to the facility users to ensure they are only **coming into the building no earlier than 15 minutes prior to their ice time.**
 - Facility users may face an additional charge if early arrival becomes a trend.
- Facility users will be required to arrive at the facility fully dressed (except skates, helmets, and gloves). They will be let in, **15 minutes prior** to their ice time.
 - Exceptions will be made in circumstances where users are accessing more than one space during their booking, i.e.: Day camp programs when there are multiple ice times mixed in with dry land times.
 - In these scenarios, users will be permitted to get fully dressed during their 15-minute window.
 - These exceptions must be arranged and confirmed beforehand with the booking coordinator.
- Washrooms in the facility will be open. All facility users are to follow proper hygiene and sanitization regulations.
- Facility users must always adhere to the social distancing guidelines. The general guideline is always to remain at least one hockey stick (with arm extended) away from any other player or coach on the ice. When operating as a cohort it is still recommended to social distance when possible.
- At the conclusion of a session, facility users will proceed to their designated area to take off their skates, helmets, and gloves. They will then proceed to the "EXIT" doors closest to their designated area.
- Facility users will have a maximum of 15 minutes to leave the facility after their ice time.
- Collect all your belongings as there will be no lost and found on site.
- **Spectators**
 - Spectators are strongly encouraged to enter the building no earlier than at the commencement of the booking.
 - It is recommended by AHS and SLSFSC that all spectators wear a mask and practice social distancing guidelines.
 - Children must remain with an adult in the spectator area during the booking.
 - Spectator Area includes: Seating and standing space inside the arena and arena lobby.
 - SLSFSC is a public space and will be subject to the Town of Cochrane mask use bylaw when it is in effect.
