

December 1, 2022

Dear Valued Member,

We are writing to let you know that effective January 1, 2023, our membership rates will be increasing. SLSFSC regularly reviews our rates against comparable recreation centres in the province and beyond to confirm our membership rates are affordable and are offsetting the costs of service delivery. We remain committed to providing the community with exceptional facilities, programs, and customer service. Our purpose is to attract people of all ages and demographics to our Centre, ensuring they feel connected and involved through activities, events, and play.

SLS Family Sports Centre Membership rates have been static since 2019, as we have intentionally postponed rate increases during the uncertainty that COVID brought. Like all businesses, we have experienced increased costs associated with utilities, supplies and overall inflationary costs. To maintain our service level, this modest increase is necessary, so we wanted to communicate this to you with sufficient notice.

Our Play ► Memberships offer exceptional value with plentiful activities for everyone to enjoy for less than \$2 per day!
